TEN YEAR LIMITED WARRANTY ON BATHROOM VANITIES

Cabinet Arts LLC warrants its cabinetry to be free of defects in material and workmanship use under normal residential usage to the original purchaser for a period of ten years from the original date of purchase for as long as they own their home. These limited warranties only apply to product used in residential applications within the United States and are not transferable to subsequent owners. Cabinet Arts provides limited 10 years warranty on all bathroom vanities imported, assembled and sold in the United States by Cabinet Arts. Our obligation under these warranties shall be limited to the repair or replacement of any part or parts that prove defective as determined by our review. This limited warranty is subject to all limitations, exclusions, disclaimers and procedures set forth herein.

This warranty covers only parts and materials of the products supplied by Cabinet Arts. Not covered under this warranty are counter tops, appliances, plumbing fixtures, etc. or the costs, including labor, to remove and reinstall materials and related components such as fittings, appliances, plumbing fixtures etc. This warranty shall become void if the cabinets ,drawer slides or hinges are in any way modified from its original form, improperly installed or damaged prior to or during the installation or used in any way other than for residential purposes. Natural woods may vary in color and texture as they age. Cabinet colors darken or lighten over time due to sunlight, smoke, household cleaners and other environmental conditions. Painted face frames and other painted product may eventually have visible cracking around the joint areas. These variations are considered the natural characteristics of the material in relation to their environment and are not covered under these warranties.

If components are replaced, Cabinets Arts cannot guarantee that the finish of these replacements will exactly match the finish and appearance of the components in the residential application. This is due to the changes that occur during the woods' natural aging process, affecting its color and grain.

These warranties are the exclusive warranties of Cabinet Arts Cabinetry and are in lieu of all other warranties, expressed or implied, including the implied warranties of merchantability and fitness for a particular purpose. These warranties give you specific legal rights. You may have other rights which vary from state to state.
